

Lauren's Top Picks for Pollinator Shade Plants that are Native to the Maryland Piedmont

Fav picks based on ease of use by home gardener, low maintenance, all season interest, deer resistance considered, locally native, supportive of pollinators. Spring bloom (spr), summer bloom (sum), fall bloom (fal), winter bloom (win). Pick a variety of bloom times to cover pollinators from spring to fall. www.laurensgardenservice.com Lauren's Garden Service & Native Plant Nursery, Glenwood, MD 410-461-2535
